

## VIRTUAL WINE EDUCATION SEMINARS

Stay connected! We offer virtual wine tastings and webinars.  
Great for online social gatherings and team building!

Enjoy a private, virtual tasting experience in the comfort of your own home. Our sommelier, or one of our knowledgeable wine consultants, will guide you and your guests through an interactive webinar involving wine tasting, food demos and pairing suggestions. Together you will taste through the wine and food pairings with an opportunity to ask questions.

Curated kits include three to six wines, culinary ingredients, pairing suggestions and recipes, all delivered directly to you and your guests' doorstep.

Invite your team, special clients or friends and family and let us help create an entertaining, engaging and informative experience.

### WINE TASTING 101

Taste through a flight of 13<sup>th</sup> Street wines and learn the basics of wine and food pairings.

### WINE & CULINARY EXPERIENCES

Includes three bottle wines plus culinary ingredients and recipes to make ahead and enjoy during your guided tasting.

### PIZZA KIT

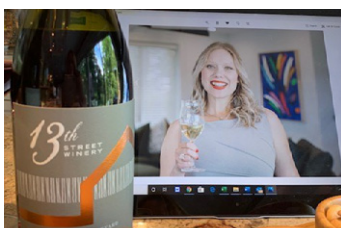

Includes three bottles of wine and the ingredients to make your own pizza at home. Corinne will guide you through making delicious homemade pizza and discuss how different toppings pair with different wines.

### FUN NIGHT IN

Includes three bottles of wine, rose gold popcorn, gourmet chocolate and cheese pleasers. Discover how these items pair together for a fun and decadent night in.

Visit our website to view some of the Solution Kits and Wine & Culinary packs we currently have available.

Whether you are looking for gift or reward for your team or ways to safely connect with friends and family, we can help you plan a memorable virtual event.
