

GROUP TASTING/ WINE & FOOD EXPERIENCE SEMINARS

Looking for a fun and educational team building activity for your group? Book a guided wine tasting experience or educational wine and culinary experience seminar. One of our knowledgeable wine consultants will guide you through a tasting of four of our wines while answering your questions, making pairing suggestions and explaining 13th Street Winery's winemaking philosophy and unique blend of wine, food and art. Or select one of our themed seminars for an interactive wine and food experience.
