WINERY

Art has always been integral to 13th Street Winery. Part of the vision for the Winery is to provide our guests with a unique experience that stimulates all the senses, not just taste. With this in mind, we designed the grounds surrounding the winery to feature a permanent exhibit of spectacular sculptures. Our current collection includes works by Karoly Veress, Floyd Elzinga, Dan Solomon, Ken Hall, Douglas Bentham, Ronald Boaks, Ilan Averbuch, and Chaka Chikodzi. We invite guests to explore our sculptures using the QR codes displayed to learn more about the artwork.
